

BREAKING CEILINGS

SERIES RECAP

SCRIPTURE TO READ

Luke 4:18-19

These verses show us some of the things that Jesus was here to do. Let's not forget that Jesus is interested in giving real freedom.

Breaking Ceilings has been a powerful series for us as a church! We covered 6 ceilings & 6 powerful mindsets to help us overcome limitations: Hunger, unforgiveness, addictions, storms, insecurity & control! Our hope for this series was to equip our church with truth to overcome the ceilings that limit the Father's favour in our lives.

QUESTIONS FOR THE GROUP

What is something God has spoken to you in this series?

What are some other mindsets and limitations that you've overcome in your life?

What are some of the ceilings you're believing for God to break in your life?

PRAYER

Take some time to pray together for the ceilings you are believing to be broken. If someone in your connect has a prayer request and someone else has seen God answer that prayer in their lives, pair them up and pray from a place of testimony.
