

The Father pours out His favour upon us because He loves us. His favour is His kindness expressed. When we carry the favour of God, others see it. Read: Psalm 90:17

The word for used for favour here is the Hebrew word Noam (Hebrew: נועם). Noam is a Hebrew name which means pleasantness or beauty. Therefore, to have the favour of God is to carry the beauty of God. When we carry the favour of God, it becomes evident to those around us and a testament to His greatness & the reality of Christ in our lives.

When we carry the beauty of the favour of God, & it is seen, some powerful things take place:

1. We have favour with people. Read: Acts 2:46-47
2. We have favour with our enemies.
Read: Exodus 3:21, 11:3 & Proverbs 16:3
3. We have favour with authority. Read: Daniel 1:9
