Psalm 5:12 Psalm 90:17 Matthew 10:8

The Bible tell us that God's favour is upon us and surrounds us like a shield. His favour is poured out upon us as a reflection of His delight in His children. His favour cannot be earned but rather is unmerited. How great is His favour!

HIS FAVOUR CAN BE DEFINED AS:
God's demonstrated kindness to His people, through His unmerited grace, blessing, promotion, and presence.

QUESTION FOR GROUP
What does God's favour mean to you?

God's favour manifests in our lives in different ways. Part of the blessing of receiving favour is that we get to pass it on! We can only ever pass onto others what God has done in us.

Examples of God's favour in our lives include: our testimonies, revelations, gifting, and His forgiveness. For example, if you have a testimony of God healing you, and you speak with someone who needs healing, you then have the power of your testimony to impart into them!

QUESTION FOR GROUP
What are some areas of favour that you can impart into others from your walk with God?

PRAYER APPLICATION
Pray as a group. Ask if there are any needs. Ask for those who have seen breakthrough in the areas of need to pray for others and vice versa.
